Social Emotional Learning

03

This is the Elementary Team behavioral framework that focuses on building relationships and making positive Teacher-student and peer-to-peer connections.

Helps students understand how to work through problems through conflict resolution and coping strategies.

Social Emotional Goals...

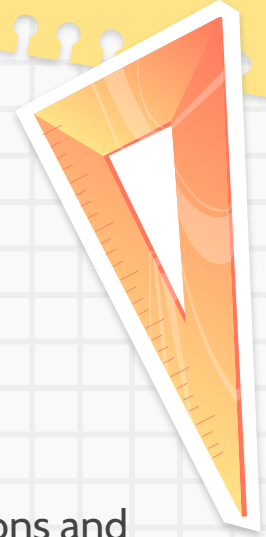

Relationships

- Building positive relationships with God and each other to create a safe and nurturing environment.

Life skills

- Shows initiative in independent situations and persist in attempting to solve problems.
- Cares for self and own belongings.

Daily Procedures

- **Attendance is important** – being here every day helps children feel secure and learn better.
- **Routine builds consistency** – our daily schedule creates comfort and stability.
- **Growing independence** – we encourage children to try things on their own.
- **Guided support** – students complete tasks with gentle guidance when needed.
